GUIDELINES FOR REVIEWING A CORE READING PROGRAM RUBRIC

LEAD21 Grade 1

Final Review

Directions for use:

- Thoroughly review the core reading program using the corresponding rubric.
- Only evaluate the individual components that correlate with the grade level to review. (Note the placement of the "x" within the grade level columns.)
- Each indicator must receive a score using the following criteria:
 - 2 Exceeds expectations
 - 1 Meets expectations
 - 0 Does not meet expectations

(For any indicator receiving a 0, comments must be provided justifying the score.)

Record the total score for each area in the final row for the section.
